

Brady Martinson

Senior Director of Undergraduate Admission
North Park University | Chicago, IL

“I have personally seen the Sterner Grant make a life-changing college experience possible for dozens of North Parkers over the years. It is always heart breaking when a student is a perfect fit for North Park, but money is the one barrier to making it possible. Through the opportunities that this grant provides, God opens doors to a new future that changes the trajectory of these students’ lives forever.”
